BUSINESS CHECK- 6801 HOLLYWOOD BLVD- H&H PARKING STRUCTURE

PRIOR PROBLEMS WITH 415 / 594 / 602 / BFMV / TFMV SUSPECTS. WE PATROLLED THE PARKING STRUCTURE AND OBSERVED A SUSPECT URINATING ON P2. HE WAS ADVISED AND APOLOGIZED. WE DIRECTED HIM TO THE RESTROOMS.

0600 **SOW-** WE WERE ADVISED TO COLLECT SURVEYS FOR KERRY REGARDING HOMELESS. YESTERDAY, WE ATTENDED THE MONTHLY HHOT MEETING AND BELOW IS A SYNOPSIS OF WHAT WAS DISCUSSED:

Alex brought the meeting to order. She advised the group of Courtney's resignation at PATH and Victoria Curt will be taking her place. Unfortunately, she could not attend because of scheduling conflicts. Alex explained the CES update meeting and HHOT meeting will be combined. The Monday morning conference call will still be in effect. Today's meeting was small compared to prior meetings. We were missing many of our regular attendees (ie. DMH, VA, MFP, Lord's Lighthouse, and Broken Hearts).

LAPD Sgt Davis (LAPD SLO supervisor) introduced his new Patrol Capt Carranza. Capt Carranza explained his dealings with homeless in Venice, downtown and other areas he has worked in Los Angeles. His stories did not involve outreach- he described Police and community related problems and concerns involving homeless. Both Sgt Davis and Capt Carranza did bring up Kerry's survey the BID has been gathering over the past couple months. He also explained Laura's Law and the impact it will bring on LAPD and the

community.

Alex began with agency updates. Jenna from LGBT youth had no new updates.

Reggie and his outreach team from PATH advised they will be hiring new employees. He went over the area his team will be handling. Reggie advised Adrian (BID referral) received his bus ticket and currently in Illinois. Another BID referral, involving a family, unfortunately resulted in the family leaving and MIA.

Cesar from Housing Works advised Molly has been replaced by Selena. There are no new updates at this time.

Dawn (Americorp / BID) advised Rebecca who is eight months pregnant will be giving her baby up for adoption. She has refused any services or programs offered.

Jill from Step Up gave a list of the most recent housed but none were recognized as those inside the BID area. She also explained her new outreach program. She understands the failed attempts in the past with Richard McFarthing, Carl Hanson and those listed on the top 14. Her and her team will try and began to see how they can best provide services for those listed.

Douglas Walker introduced himself as a new employee with the Center. He will be the new CES / Outreach coordinator. He explained his job description and outreach goals.

Alex advised the group of a new program involving DHS. If a client has been in the hospital 2+ times, on the CES registry, and matched they qualify for one of 250 vouchers available. There is also 135 beds throughout the LA area to place possible clients until they are housed. There will be more information on the program and specifics involved which she will send out in an email soon.

A new representative from VASH was also at the meeting but he had nothing new to report.

Alex asked to document all problems involved with CES and forward them to her. She also stated we will be conducting a follow up with the top 14 during the next meeting. The trailers are already set up in the parking lot of the Center

which will allow them to still conduct outreach in the area on Monday, Wednesday and Thursday. She reminded everyone to attend the Demolition party on Thursday July 16th from 1830 to 2030 hours.
